MONI Smart Security Announces Renewed Relationship with Skyline Smart Home Protection

DALLAS, Dec. 11, 2017 (GLOBE NEWSWIRE) -- MONI Smart Security ("MONI" or the "Company"), a leading provider in home security alarm monitoring, today announced it has renewed its relationship with Skyline Smart Home Protection ("Skyline"), a national provider of professionally monitored home security systems. As an authorized MONI dealer, Skyline is expected to be one of the Company's largest dealer partners. Skyline will begin selling for MONI on January 1, 2018. Skyline previously served as a MONI dealer from 2010 to 2014.

"Skyline has been a leader for many years in our industry and shares MONI's commitment to quality and customer service," said Jeff Gardner, CEO of MONI. "Skyline has an outstanding reputation in the dealer community and I look forward to working closely with Edwin and the entire Skyline team going forward."

Headquartered in Los Angeles, California, Skyline offers a full array of home security products and services, including interactive and home automation, mobile apps, video monitoring and energy management products. The Company was founded in 2004 and is led by CEO, Edwin Arroyave. Skyline operates in more than 30 states and generated over 80,000 smart home customers to date. Skyline has an A+ rating with the Better Business Bureau for its outstanding quality and service and was named to the Inc. 5000 in 2015, 2016 and 2017.

"I am thrilled to be partnering again with MONI," said Edwin Arroyave, CEO of Skyline. "It has always been important for Skyline to align itself with partners who understand the value and importance of technology and innovation, while consistently providing the highest levels of customer service. MONI shares these values and I could not be more excited to be renewing our relationship. I look forward to the opportunities ahead."
